

Company Quarterly Results Chart

Sample chart image for multimodal RAG practice

Use this image/PDF for a multimodal RAG demo. Example questions: highest revenue quarter, lowest profit quarter, revenue trend.

Questions your RAG should answer from this chart:

- 1. Which quarter had the highest revenue?
- 2. Which quarter had the lowest net profit?
- 3. Did revenue increase from Q1 to Q4?
- 4. What is the difference between Q4 revenue and Q4 net profit?
